# IPS ACADEMY

THE ALL TIME LEADER OF CAMPUS PLACEMENT

**JHABUA A DAVV Affiliated College**

## From President's Desk

After accomplishing a memorable journey of 28 glorious years & crossing several milestones IPS Academy has now ventured in the tribal belt of Jhabua with a mission to fulfill the long awaited needs of the region for quality education optimally blended with latest technology, requisite skills & contemporary knowledge embedded in tribal culture & heritage .

I am confident that with its rich repertoire of experience, achievements & amenities the Academy will surely be able to serve the tribal populace & strive for the upliftment & betterment of the region .

## Management Committee

IPS Academy, a premier institution of Central India, has become a celebrated brand name & has carved a unique identity for itself as a center of excellence in the entire country due to variety of reasons.

Under the visionary leadership of its President Ar. Achal Choudhary, an alumni of IIT Kharagpur, the Academy has grown leaps & bounds. The Academy with 16 colleges, 76 courses, 500+ teachers & 10000+ students boasts of a unique marvelous infrastructure; spread over 58 acres of lush green terrain. The various institutes, housed in separate aesthetically designed buildings, have state of art infrastructure with well designed classrooms, laboratories, libraries & qualified, skilled & experienced faculties.

At IPS Academy it has been our endeavor to provide education to students that leads to multifaceted development of their innate talent, intellectual & physical capabilities and overall personality and imbibe into them cultural & national spirit thus making them responsible global citizens and conscientious human beings. Theory sessions are suitably supplemented with experiential learning & practical field experience so that the students can adapt themselves to face the challenges of competition & globalization & rise up to the expectations of the corporate world.

Continuous & rigorous training & development regime hones the communication, leadership & entrepreneurial skills of students ensuring creation of quality job offers as well as promising entrepreneurs. The presence of IPS Alumni in every nook & corner of the globe bears testimony to our triumph.

Our next step is to establish a global university where Indian spirituality, ethics & values meet western science & technology and usher into a new dawn for humanity.

## Courses

### B.Sc.

(PCM/CS/ Biology/ Biotechnology/ Horticulture)

Bachelor of Science (B.Sc.) or B.S. is one of the most popular academic degree courses among the science students after class 12th. The duration of B.Sc. degree course ranges upto 3 years.

After the completion of the B.Sc degree there are various options available for the science students, they can go for master degree in Science i.e. M.Sc, go in a research area and can even look for professional job oriented courses. Often, the students are recruited directly by big MNC's after their completion of the course.

### B.COM

(PLAIN/ COMPUTER APP./ HONS.)

If you are making B.Com as your career choice, then it is a smart decision. It is one of the trending courses after 10+2.

A Bachelor of Commerce, abbreviated as B.Com is an undergraduate degree in commerce and related subjects. The course is designed to provide students with a wide range of managerial skills and understanding in streams like finance, accounting, taxation and management.

The Bachelor of Commerce program prepares you for a career in accounting, banking, financial management, information systems and management.

### BBA

Bachelor of Business Administration or BBA is one of the most popular bachelor degree programmes after class XII. The 3-year professional undergraduate course in Business Management is open to students from all the three streams: Science, Arts and Commerce. The BBA course is the gateway to numerous job opportunities in a plethora of sectors like marketing, education, finance, sales and government to name just a few.

The BBA course offers knowledge and training in management and leadership skills, to prepare them for managerial roles and entrepreneurship. During the tenure of the course, candidates learn various aspects of business administration and management through classroom lectures and practical projects like internship.

### BCA

Bachelor in Computer Application (BCA) is an undergraduate degree course in computer applications. With the rapid growth of IT industry in India, the demand of computer professional is increasing day by day. This increasing growth of IT industry has created a lot of opportunities for the computer graduates.

Bachelor in Computer Application (BCA) is one of the popular course among the students who want to make their career in the IT (Information Technology) field. The duration of the course is 3 years and divided into 6 semesters. It comprises of the subjects like database, networking, data structure, core programming languages like 'C' and 'java'. This course provides a lot of opportunities to the students who are interested in computer field and wants to work in the IT sector as programmer or software developer. To get complete knowledge about the course and career scope, you can go through this article.

JHABUA is a known name for making lovely ethnic items including bamboo products, dolls, bead-jewellery and other items that have for long decorated the living rooms all over the country. Jhabua is also known tribal area for Bhagoria festive celebration. The low literacy rate has kept the district backward for long time now. IPS with its aim to embark quality education in such areas, has already established a world class CBSE school to provide quality education to students of Jhabua in 2009. Now looking at the need of higher education, IPS has come up with its new college affiliated to DAVV Indore preventing students from long travels and paying high fees. IPS Jhabua aims to fulfill all quality education needs of Jhabua students. IPS Jhabua is backed by its mentor institute IPS Academy, established in Indore and a renowned name in Education. IPS leads in Campus Placement since 28 years.
